Subject: New visitor changed condition from midnight tonight -

Hi Everyone

A quick email to let you know the current five day COVID 19 lock down has finished and the Premier announced today that some restrictions with visitors to aged care facilities have relaxed.

From tomorrow, visitors are allowed from one household to visit one resident, once a day. Exceptions for palliative care still apply.

No information was provided in relation to residents going on excursions. Until further notice is provided, we need to adhere to the current regulations in relation to this, which is no excursions.

If you would like to make a booking to see your loved one at Princes Court, please call Reception on 5021022 during business hours or better still email info@princescourt.com.au.

All other requirements are still in place including wearing a clean, fitted face mask, completing the screening and temperature checking, social distancing, ensuring hand hygiene and all other requirements.

Kind Regards
