Princes Court has been providing aged care and support to the Sunraysia community for more than 60 years.

Today, we offer a range of accommodation options and services for people who need residential care, respite and specialised dementia care.

Our team of qualified and well-trained staff are dedicated to helping residents maintain their independence within a secure and supportive community.

At Princes Court, you can relax knowing that if your needs change we will continue to support you by adjusting your level of care.

## Our history

# Welcome home

Princes Court Homes is located in the heart of Mildura, close to parks, retail shops, restaurants, health services, and leisure facilities.

Here you have the facilities, freedom and assistance to do as much or as little as you like.

Our private residential units are surrounded by beautiful gardens and courtyards, which are ideal for relaxing on your own or enjoying the company of family and friends.

From the moment you arrive at Princes Court, you are supported to create a life that is truly yours.

Residents are encouraged to pursue their own interests and connect with others in ways they feel comfortable. You can make use of our inviting dining rooms and activities centre.

Our kitchen team is dedicated to offering diverse meal options that cater to all dietary needs, using local, seasonal produce whenever possible. Family and friends are always welcome to join you for a meal in the dining room or in the comfort of your own room.
